

### Train the procurers (TtP) workshop on low-carbon and green public procurement (GPP) in Croatia

#### Training seminar objectives

- GPP procurement cycle suitability with special reference to post-tendering phase and best practice examples

#### Location

Rijeka

#### Target group

Public procurers

#### Training details

General information	
Day	Wednesday October 7 <sup>th</sup> , 2015
Time	9.00-16.00
Organisers	UNDP Croatia

#### Programme

8.45-9.00	Registration
9.00-9.15	Welcome and introduction
9.15-11.00	Procurement cycle suitability (GPP commitments in the EU, linking to local context to avoid disconnection as EU policy, economy relevance, environmental impact improvement potential, opportunities to take, mistakes to be avoided, lessons to be learned, consultation activities whenever relevant with SMEs engagement) – how to improve green market reaction and competition following GPP procurement cycle?
11.00-11.30	Coffee break
11.30-12.30	Procurement cycle beyond the tendering phase (Contract follow-up compliance, performance clauses, results monitoring and evaluation of environmental impacts, communication w/ chosen economic operator(s) – how to follow GPP contract execution and fulfilment of target score in LCC analysis?)
12.30-13.30	Lunch break

13.30-15.00	Decisions on cases under jurisdiction of the State Commission – GPP relevant (specifically on Green public procurement Procedures where MEAT is used as an award criteria with most common mistakes and suggestions processed) – what should be improved in green public procurement procedures and what are best practice examples?
15.00-15.30	Coffee break
15.30-16.00	<b>Evaluation and Wrap-up</b>
